Strauss & Co
Fine Art Auctioneers | Consultants

Kimmo High Value Art Crates are customised and combine export-ready materials for superior protection at the minimum volumetric shipping cost.

*Preferred by Auction Houses and Art Insurers

The Advantages of Kimmo High Value Art Crates

Ease of unpacking

Designed for the end-users' handling and unpacking experience.

Slimline

The slimline design provides the ultimate volumetric benefit.

Quick turnaround

Packing artwork into our Nail-Free crates are quick and easy.

Cost-effective

More cost-effective than traditional plywood or solid wooden crates.

Export ready

They are exempt from ISPM-15 regulations, making the journey through customs easier.

Lightweight

More lightweight than solid wood or traditional plywood crates.

Whether you have a painting, ceramic or sculpture, we'll customise your crates accordingly.
